5. Work through every section/page of the form filling in everything you can that is relevant. In each section (box) you must click **SAVE** before moving on to the next section. At the end of each page click Go to Part # . Any compulsory questions will be

highlighted at this stage - fill those in before being allowed to move on.

The screenshot shows a 'Child History' form with several dropdown menus and text input fields. Annotations include a red arrow pointing to a 'Save' button at the top right with the text 'Save before going to next page', and another red arrow pointing to 'Go to Part 2' and 'Go to Part 3' buttons at the bottom with the text 'Go forward and backwards after saving'.

6. Filling in the form

- some fields are straight type in (click on the question and the cursor will appear),
- some are dropdowns (click and choose the answer),
- some are radio buttons (click in the circle to select)
- some are **Green** buttons (see image). Click on any relevant button once, to open the fields for filling in. You may be taken back to the top of the page, just scroll back down to see the fields and fill them in. **SAVE** after each one.

The screenshot shows a 'Medical Conditions' form with a blue header, a green 'ADD MEDICAL CONDITIONS' button, a 'Save' button, and a 'Goto Part 2' button. The text 'Currently part 1' is visible.

7. Some enrolment forms will offer the option to view documents relevant to the questions - Click blue underlined links and the doc will open in a new page.

The screenshot shows a form with a dropdown menu containing 'Yes' and a blue underlined link that says 'Click for instructions'.

8. Some enrolment forms offer the option to upload documents such as birth certificate, immunisation certificate etc. You need to have a scanned or photographed document saved on your device ready to be uploaded, then click Choose file, find the file where you saved it, and then click Upload new document.

Before Uploading a file - you must make sure you have clicked SAVE at the top of the section, for the information entered up until this point, or you may lose it. When the upload refreshes the page.

The screenshot shows a form with a dropdown menu containing 'NZ Birth Certificate' and a green bar with the text 'Browse for a file, select it, then click 'Upload new document''. Below the bar are buttons for 'Choose file', 'No file chosen', and 'Upload new document'.

9. On the last page with the declarations or permissions, **Make sure you have clicked Save at the top of the permissions section before clicking the final Save and Confirm at the bottom**

10. Your enrolment form is not complete until you have read the parent declaration and clicked to **Save and Confirm**. Please read the final page to find out what further actions you need to take, or if the school will contact you for the next steps.

Please note: Your child is not yet enrolled, the school has received your enrolment form and will consider that enrolment to see if you meet criteria to enrol at their school. Further contact with the school is normally required.

Any problems with this form, please ring the school for help.
