

Hi Families,

Our perceptual motor programme (also known as PMP) has been going well this term, with some wonderful parents giving us their time on Wednesdays. However, we have had to cancel the past three Fridays and it's looking like this Friday we will not be going ahead without two more parent helpers.

PMP is an awesome programme that helps develop your child's fine motor skills, which they need in all areas of learning. So please help us, help your [child](#).

We are looking for a few more helpers on these dates:

Friday the 27th of August: Two more helpers needed

Wednesday the 1st of September: One more helper needed

Friday the 3rd of September: Two more helpers needed

Friday the 10th of September: Two more helpers needed

Wednesday the 15th of September: One more helper needed

Friday the 17th of September: Two more helpers needed

Friday the 24th of September: Two more helpers needed

If you can help, please email Krista Matich on kmatich@maungaraki.school.nz or send this form back with your child and hand to your child's teacher or Krista Matich with dates circled/ticked.

Yours thankfully,

Kowhai Syndicate
