

Hi Families,

Can anyone in your family help with PMP this term?

This is our Perceptual Motor Skills Programme that we run for our junior classes (Room 5, 11, 6, 7) each Wednesday and Friday from 8.45 – 10.30am.

We would love for you to come and help us. It would involve working at a station for the morning, while students rotate around. There is an instruction card at each station and Tracey our very helpful teacher aide is on hand to help introduce stations to helpers.

If you can help out at these designated times, please return the form to your child's teacher or Miss Matich in Room 5. She will be sending out a weekly email at the beginning of each week. The first 4 parents to reply that week for Wednesday and Friday will be our helpers for that week only. Another email will go out that next Monday for the next weeks helpers. You can catch her around school and your put name down for a specific date that you would like to help. This means that the workload is spread across parents who can help. We appreciate help even if it can only be for one day.

PMP starts in week 2 of Term 3 so we require 4 helpers from July the 28th onwards each Wednesday and Friday until the last week of term.

Please fill in the form and return it to school as soon as possible.

Thank you,
Kowhai Syndicate
